# Tee Up Your Players for a Refreshing Round

ReadyRefresh<sup>SM</sup> by Nestlé is here to help you keep refreshment on hand, with a premium lineup, while providing convenient ways to personalize your service terms and delivery times.

## Ease and Variety

Our one-stop service helps ensure that your employees and clients always have a variety of beverages on hand—all conveniently delivered to your business.

## Service on Your Terms

Service is our top priority. It starts with a personal account manager, who will serve as a single point of contact for your account needs. We also offer e-billing with 24/7 access to view and pay your invoices online.

## Environmentally Friendly

Our 5-gallon Eco-sense bottles are BPA free and recycled to reduce waste. We aim to lead the industry in advancing policies to capture and reuse every beverage container produced.

## Expanded Delivery Times

With flexible delivery and your-way billing, we are committed to service.

## Everyday Hydration
