## Senior Player of the Year Point Standing Notes

In order to be eligible to receive George M. Cohen Senior Player of the Year points, players must compete in at least one Mass Golf sponsored event included in the point system (including qualifiers). Any player who is exempt into a USGA Championship Proper will earn the points associated with a local and/or sectional qualifier of each respective USGA Championship Proper. Any points earned by a senior competitor in the Richard D. Haskell Player of the Year standings will be added to their Senior Player of the Year standings. A total of 10 additional points will be awarded to the low senior competitor in each of the Regional Section Events included as part of the Richard D. Haskell points system (Note: A player will be awarded points for only one regional event). The final decision of the George M. Cohen Senior Player of the Year rests with the Mass Golf Board of Directors.
