## LIVE SCORING AT MEMBER DAYS

Mass Golf uses a fun and interactive scoring program for all of its Member Day events. In addition to viewing pairings, starting times and scores, you are also able to enter scores, view the leaderboard in real time and upload photos during your round!

It's a simple process and can all be done via a free, easy-to-download USGA Tournament Management mobile app!

### **Here is how it all works:**

Upon arrival at the scoring tent, all players will be issued a scorecard and will be asked to exchange cards with a fellow-competitor before the start of play.

The scorecards will serve as the score of record in the event of any discrepancies with scores entered electronically through the USGA Tournament Management app. As always, scorecards should be signed and attested prior to being turned in at the end of the round.

Although not required, we encourage one player to be designated to post scores for each group on the USGA Tournament Management app. All players will be able to view and enjoy the other features of the app before, during and after the round.
