Girls: 6,017

Scoring averages to earn PBE  
(top 50%):

Boys: 78.8  
Girls: 80.6

## ABOUT THE AMERICAN JUNIOR GOLF ASSOCIATION (AJGA)

The AJGA gives juniors ages 12-19 who aspire to play college golf the opportunity to compete in junior golf at the national level. We develop golf's next generation and prepare players for college golf and beyond. Initiatives like thank you notes, care for the course and code of conduct alongside community service programs like Leadership Links help teach valuable skills to our members.

## HOW IT WORKS

- Performance Based Entry (PBE) system controls entry into most tournaments
- 18-hole Qualifiers offer additional entry point for players
- Junior Golf Hub Preview Series focused on new members; entry is not dependent on earned PBE

## BENEFITS

- Need-based financial assistance available
- Exposure to 1,100+ college coaches
- College coaches at all levels access member information
- Coaches can see national comparison of talent at AJGA events
- Top exposure for college golf scholarships
- Prestigious alumni roster
- Many alumni sponsor or attend events to give back
- Substantial product discounts from TaylorMade and adidas Golf
