

FALL CUP MATCHES

2019 Pamphlet

1. ABOUT

The Fall Cup season will consist of three match days at host Clubs and will culminate in the Fall Cup Championship on October 16, 2019 at Cape Cod National Golf Club, where a gross and net championship team will be crowned. The Fall Cup Championship field will consist of each region's winning team sending 6 players to compete in a Four-Ball (best ball) stroke play format.

2. NEW FOR FALL CUP MATCHES IN 2019!!!

SCORING OF MATCHES: Fall Cup Matches will be scored like Spring Team Matches. One point for winning a hole and ½ point for tying a hole. A maximum of 18 points may be awarded in each match.

RAIN DATES: In the event of a regional match day cancellation due to adverse weather, there will be no makeup or rain date for that match day.

3. FORMAT

Teams:

Each team consists of 6 female players. Each player on a team is affiliated with and represents their home Club and team. As with Spring Teams, all active Mass Golf members with a handicap index of 36.0 or lower and who have posted 5 for more 18-hole scores in the past 12 months are eligible to play as a team member. All players on a team must have an active GHIN index at that team's Club as of 2 days prior to the match day. For Clubs fielding more than one team, any player affiliated with that Club may play on one or both teams. Players who are affiliated with more than one Mass Golf Member Club may play on the teams of any of the Clubs they are affiliated with. A player may compete for only one team in only one match on any match day.

Regions:

There are 20 regions with 4 teams in each region. 3 of the teams in each region will host one match day and one team in each region is a "travel only" team. Please click on [2019 Fall Cup Regions](#)

Match Days:

There are 3 match days: September 11th, 19th and 26th. The 4 teams in each region will compete against each other over the course of the 3 match days. Please click on [2019 Match Day Schedule](#). Each match day will consist of a team competing against another team in 3 matches.

FALL CUP MATCHES

2019 Pamphlet

Match Days (continued):

Host Captains are required to coordinate the match day arrangements for golf and lunch with their Club staff and should complete and send the "Host Club Information Form" to fellow regional Captains and Mark Gagne at mgagne@massgolf.org. Please complete the form at your earliest convenience and at least 1 week prior to the match day. The form will be sent to all Captains in "Welcome to the 2019 Fall Cup Matches" email and be available on the Fall Cup landing page [HERE](#). The form requests important information on starting times, carts, food and beverage service and other event specifics.

Host Captains are suggested to arrange for a modest lunch menu and cost. Continental breakfast and coffee may be served at the discretion of the host Club. All players are expected to pay and stay for lunch following their match. Captains are required to notify the host Captain in advance if any of their players cannot stay for lunch. The host Club should provide a "to go" option for those players unable to stay for lunch. The host Captain and or host team is encouraged to collect payment for both cart and lunch fees before the matches begin.

Please note that a "Captain's Match Day Checklist" will be sent in the near future.

Matches:

Each match will be played in a Four-Ball (best ball) match play format. Players from each team will be paired by handicap index (lowest to highest) for each match.

4. HANDICAPS

The USGA GHIN revision as of September 1, 2019 will be used for player handicaps for all matches and the Fall Cup Championship. Match days will be played at 90% of course handicap. Scorecards will be created through Golf Genius/Tournament Management, but each player is responsible for ensuring their course handicap and scorecard is stroked correctly. Handicap strokes will be calculated off the player with the lowest handicap in each group/Four-Ball match, with no more than one stroke per hole given to a player, regardless of course handicap.

Example:

After converting to course handicaps and reducing to 90%: Team A consists of Player A1 with a 12 handicap and Player A2 with an 18 handicap. Team B consists of Player B1 with a 10 handicap and Player B2 with a 16 handicap. All players in this match stroke off of the player with the lowest handicap in the group; Player B1 in this example. Player A1 will receive 2 strokes, Player A2 receives 8 strokes and Player B2 receives 6 strokes. Strokes are given in accordance with the applicable handicap stroke hole allocation.

FALL CUP MATCHES

2019 Pamphlet

5. NEW FOR 2019! - SCORING OF MATCHES

Fall Cup Matches will be scored like Spring Team Matches. One point for winning a hole and ½ point for tying a hole. A maximum of 18 points may be awarded in each match.

Players are responsible for posting their own scores and when appropriate, record the “most likely score” or “equitable stroke control”, is applicable. For more information, see sections 4-1 and 4-3 of the USGA Handicap Manual [HERE](#). Fall Cup Matches are NOT to be posted as “Tournament” scores.

6. STARTING TIMES

A shotgun or modified shotgun is the preferred starting method. However, tee times may be used at the discretion of the host Club. Host Captains are required to advise their regional teams of the starting times as early as possible.

Please see the “Match Day Schedule” for which team has the honour to start each match.

7. PACE OF PLAY

Matches are limited to 4 hours and 30 minutes unless the host Club or Captain determines that is not reasonable. At the end of 4 hours and 30 minutes (or longer as determined by the host Club or host Captain and announced prior the start of the match), all play will conclude. If a hole is started but not completed before the specified time limit expires, that hole should be played and will conclude the match. Any holes not played beyond the match time limit will be tied. It is expected that the pace of play will be enforced by the Captain of each team.

8. GOLF GENIUS/TOURNAMENT MANAGEMENT

Captains are encouraged to use Golf Genius/Tournament Management to set and manage each match day’s team roster and enter match results. If you have used Golf Genius/Tournament Management for Spring Teams, you will access the Fall Cup portal using your existing user name and password. Captains are required to create rosters and pairings for each match day. Players and rosters will not be automatically populated each week. Captains are required to create player rosters for their team for each match day by using the drop-down menu in Golf Genius/Tournament Management. Match day pairings, scorecards and cart signs can be printed directly from the Golf Genius/Tournament Management program prior to each match day, either by the Captain or a member of the host Club staff. Club staff are encouraged to assist the Captains manage these Fall Cup tasks in Golf Genius/Tournament Management. Captains should inform mgagne@massgolf.org of names and email addresses of any Club staff who should be given access. Club staff should be advised the Fall Cup Matches in Golf Genius/Tournament Management must be accessed via the dedicated link provided and cannot be accessed through their Club accounts. More information and instructions regarding Golf Genius/Tournament Management will be sent in the near future.

FALL CUP MATCHES

2019 Pamphlet

9. REPORTING OF SCORES

Host Captains will be responsible for entering all regional match day scoring using Golf Genius/Tournament Management by 3pm of the match day. Host Club staff may provide assistance if needed. Results entered will be immediately visible for all to view via the Golf Genius/Tournament Management portal. If not using Golf Genius/Tournament Management, the host team Captain should e-mail the results to Mark Gagne at mgagne@massgolf.org before 3pm of the match day. In addition, please leave a copy of the results sheet with the host Club golf shop for any inquiries they may receive. There is no longer a need to snail mail the results sheet to Mass Golf. The host team Captain should announce the result totals and region winner at the conclusion of the final match day.

10. TEAM ROSTERS

Please see "Section 3. FORMAT" for team eligibility requirements.

Captains are encouraged to use Golf Genius/Tournament Management to set and manage each match day's team roster. Captains should complete their team roster no later than 48 hours prior to match day and are required to notify the other regional Captains when their match day roster is set. If you are unable to set your roster in Golf Genius/Tournament Management, please submit your roster by email to the other regional Captains and Mass Golf no later than 5 days before the match. Please contact Mark Gagne of Mass Golf at 774-430-9107 or mgagne@massgolf.org for assistance. Rosters may be different for each week, but all regional Captains must be notified promptly of any changes.

Notification of any roster changes must be emailed to the other regional Captains and updated in Golf Genius/Tournament Management **no later than 9pm the night before a match day**. Any changes made after this time will require the Captain and player(s) who are part of any roster changes to check in at the host Club site at least 30 minutes before the start of the match day. It is the responsibility of the Captain making any roster changes to ensure that the scorecards are correct and teams are paired in the proper order (by low to high handicap index).

If an ineligible player begins a match, that match will be defaulted and 11 points awarded to the opposing team.

Captains are responsible for ensuring all team rosters meet the above requirements.

FALL CUP MATCHES

2019 Pamphlet

11. FIELDING LESS THAN 6 PLAYERS

A Club is expected to field a full team of 6 players playing in 3 teams of two. If a Club cannot field a full team, the pairings will be adjusted as follows:

5 players - the team's lowest handicapped player will play individually as one team against the opponent's team of two and the others will play in teams of two.

4 players - the two lowest handicap players will each play individually as two separate teams against their opponent's teams of two and the third match will be played as a team of two.

3 players - each player will play individually as three separate teams against their opponent's team of two.

2 players - each player will play individually as two separate teams against their opponent's teams of two and the third match will be defaulted and 11 points awarded to the opposing team for the defaulted match.

1 player - the player will play individually as one team against the opponent's team of two and the other two matches will be defaulted and 22 points awarded to the opposing team for the defaulted matches.

No players - all three matches are defaulted and the defaulting team is disqualified from the Fall Cup Matches (see Section 12 - DEFAULTS).

12. DEFAULTS

If a Team defaults on more than two matches over the course of the 3 Fall Cup match days, they are disqualified from the Fall Cup Matches. In this case, all points earned by the opposing teams in that region from any previous matches will be nullified and each team's aggregate score adjusted accordingly.

Number of Players - If a team is unable to field a full team, the host Captain must be notified no later than the 9pm the night before the match day. If a team arrives with less than six players, a player may play her match by herself (see "Section 11 - Fielding less than 6 players").

Positioning of Players - Each Captain is responsible for ensuring their players are correctly positioned for each match pairing. If a Captain or team places a player in the wrong position for match pairings, that match is defaulted and 11 points awarded to the opposing team.

Withdrawals - If a team or Club cannot fulfill its commitment once the regions and match day schedule are announced and published, that team or Club may be denied entry to Fall Cup Matches the following year.

Note:

If a team is disqualified for defaulting and the team/Club is scheduled to host a future match day, the Club must honor that commitment to host. Teams that are disqualified from Fall Cup matches for defaulting may continue to play in subsequent match days as markers.

2019 Pamphlet

13. CANCELLATIONS

NEW FOR 2019! Rain Dates: In the event of a regional match day cancellation due to adverse weather, there will be no makeup or rain date for that match day.

Early cancellation (prior to 9pm the night before the match day): If adverse weather has occurred or is forecasted, cancellation is determined by:

- a. The home team Captain when advised to do so by the golf course superintendent and or golf professional.
- b. Any Captain may request an email or telephone vote of the other Captains to cancel the match day depending on the availability of carts/caddies. A majority vote is required to cancel under these circumstances.

Cancellation on the morning of match day or cancellation on match day at the host Club site: In the case of adverse weather, the matches may be cancelled by the host Club staff or a majority vote of the Captains after conferring with their players.

Weather conditions or other circumstances may result in the host Club not permitting the use of carts for the match day: If some or all players require the use of motorized carts to play, cancellation of the match day is an option to be discussed and considered by the four Captains. A majority of the Captains must vote to cancel a match day. Captains should be sensitive to the possible physical limitations of fellow competitors and should also present to the other Captains the name of any team member who has a doctor's note requiring the use of a cart.

For any votes taken by Fall Cup Captains that result in a tie, the host Captain's vote will be withdrawn.

Each Captain is responsible for notifying the players on their team when a match day has been cancelled.

14. SUSPENSIONS

Play may be suspended for adverse weather by: the golf course superintendent, golf professional or a majority vote of the Captains (see Section 13.6 above). Following a suspension, a decision must be made to either resume play after a reasonable amount of time or conclude the match day.

The match results are valid and scored if each match completes at least 9 holes. If less than 9 holes have been completed by one or more matches, the match day and partial results are cancelled. If 9 or more holes have been completed by all matches, the match results will be scored. In this case, only the least common number of completed holes among the matches will be scored.

FALL CUP MATCHES

2019 Pamphlet

15. HAZARDOUS CONDITIONS

Thunder/Lightning: Discontinue play if you believe you are in danger from lightning ([Rule 5-7a](#)). Seek shelter immediately if lightning is in the area.

16. REGIONAL RESULTS

Each region will be won by the team with the most cumulative points over the 3 match days. The winning team in each region will be invited to compete in the Fall Cup Championship. Fall Cup pins will be awarded to each winning team member who competes in the Fall Cup Championship.

Ties: In the event of any ties within a region, the winning team will be determined by the results of the match between the tied teams and if this does not resolve the tie, both teams will be invited to the Fall Cup Championship.

17. FALL CUP CHAMPIONSHIP

The Championship will consist of each region's winning team sending six players to compete in a Four-Ball (best ball) stroke play format. All six players on each team must have played in at least one match for a team in order to be eligible to play for that team in the Fall Cup Championship.

The USGA GHIN revision as of September 1, 2019 will be used and applied at 100% of the course handicap for all players in the Championship.

The 2019 Championship will be held at Cape Cod National Golf Club on October 16, 2019. There will be one gross team winner and one net team winner as determined by the aggregate scores of the team. The Trophy will be engraved with the names of the winning Clubs. If a tie occurs, the name of each winning Club will be engraved on the Trophy.
