GOLF GENIUS/TOURNAMENT MANAGEMENT

We will continue to use Golf Genius/Tournament Management to manage rosters and collect results for this year's matches. On or before Wednesday, August 29th, you will receive an official "invite" by email to join Golf Genius/Tournament Management as a Captain. The invitation will also include specific instructions on how to manage the program. For those of you who have not used the program in the past, please know that the system is relatively easy to use and Mass Golf staff is here to help if and as needed along the way.

<u>*CURRENT ACTION ITEM FOR ALL CAPTAINS* - REQUEST FOR CLUB STAFF CONTACT</u> INFORMATION

 In addition to the team Captains, members of your Club's staff can also receive an "invite" to join Golf Genius/Tournament Management to assist in Fall Cup management. This will allow them to update rosters, print pairing sheets, scorecards and cart signs. Most Captains have found that having at least one person from your professional golf shop staff with access to Fall Cup in Golf Genius/Tournament Management is very helpful. Please note that Club staff will access the Fall Cup in Golf Genius/Tournament Management using different credentials then they do for their Club account. Please provide the information below for your Club staff contact at your earliest convenience. Please enter the information in the blank boxes below and simply reply to this message or copy and paste to Mark Gagne at mgagne@massgolf.org

CURRENT ACTION ITEM FOR ALL HOST CAPTAINS - REQUEST FOR HOST CLUB **INFORMATION FORM**

Host Captains are required to coordinate the match day arrangements for golf and lunch with their Club staff and should complete and send the "Host Club Information Form" CLICK HERE FOR FORM to fellow regional Captains and Mass Golf at mgagne@massgolf.org. Please complete the form at your earliest convenience and at least 1 week prior to the match day.

CAPTAIN'S RESPONSIBILITIES

We ask that all Captains use the Golf Genius/Tournament Management program to set each week's team roster. Mass Golf will be responsible for making sure that your Club's GHIN roster is properly set up in Golf Genius/Tournament Management, but here is a summary of your weekly responsibilities as team Captain:

1. Set Your Roster

 Captains are encouraged to use Golf Genius/Tournament Management to set and enter each match day's team roster. Captains should complete their team roster no later than 48 hours prior to match day and are required to notify the other regional Captains when their match day roster is set. If you are unable to set your roster in Golf Genius/Tournament Management, please submit your roster by email to the other regional Captains and Mass Golf no later than 5 days before the match. Please contact Mark Gagne of Mass Golf at 774-430-9107 or mgagne@massgolf.org for assistance. Rosters may be different for each week, but all regional Captains must be notified promptly of any changes.

2. Roster Changes

 Notification of any roster changes must be emailed to the other regional Captains no later than 9pm the night before a match day. Any changes made after this time will require the Captain and player(s) who are part of any roster changes to check in at the host Club site at least 30 minutes before the start of the match day. It is the responsibility of the Captain making any roster changes to ensure that the scorecards are correct and teams are paired in the proper order (by low to high handicap index).

HOST CAPTAIN RESPONSIBILITIES

Here is a general summary of additional key responsibilities for host Captains:

1. Print Scorecards & Pairings Sheets (just prior to match day)

 The Golf Genius/Tournament Management program will be used by host Captains or their Club staff to print pairings sheets, scorecards and cart signs for all match days. It is very easy to print these materials, and we will send detailed instructions to all Captains. Please note the scorecards will only be as accurate as the information contained in Golf Genius/Tournament Management. For this reason, any roster or other changes must be entered into Golf Genius/Tournament Management <u>before</u> scorecards are printed.

2. Report Scores (no later than 3:00 p.m. on match day)

Host Captains will be responsible for entering all regional match day scoring using Golf Genius/Tournament Management by 3pm of the match day. Host Club staff may provide assistance if needed. Results entered will be immediately visible for all to view via the Golf Genius/Tournament Management portal. If not using Golf Genius/Tournament Management, the host team Captain should e-mail the results to Mark Gagne at mgagne@massgolf.org before 3pm of the match day. In addition, please leave a copy of the results sheet with the host Club golf shop in case for any inquiries they may receive. There is no longer any need to snail mail the results sheet to Mass Golf.

NEXT COMMUNICATION

The next communication that you will receive will be on or before Wednesday, August 28th and **will include instructions on how to login and use Golf Genius/Tournament Management,** as well as a "Captain's Match Day Checklist". In the meantime, feel free to contact me with any questions you might have – we are here to help!

On behalf of Mass Golf, thank you so much for all you do as Captains. Fall Cup Matches would not be possible without your commitment and support!

Best Regards,

Mark
