• Note: The first alternate at a USGA Qualifying Event will receive 50% of the qualifier points for that event. The second alternate will receive 25%.

In order to be eligible to receive Women's Senior Player of the Year points, players must compete in at least one Mass Golf sponsored event included in the point system. Any player who is exempt into a USGA Championship Proper will earn the points associated with qualifying in each respective USGA Championship Proper. The final decision of the Women's Senior Player of the Year rests with the Mass Golf Board of Directors.
