

Mass Golf Women's Event Yardage

The Mass Golf staff with support from volunteer official(s)-in-charge, host club professionals, host club superintendents and other informed parties will use all available resources – and the guidelines below – as a determining factor in the yardage for all events. It's Mass Golf's goal to provide all competitors with an enjoyable event experience, while providing a fair and equitable competition.

The yardages outlined below are guidelines only and will vary based on course topography, weather and course conditions, as well as other factors that might affect play. Ahead of each specific event, the Mass Golf staff-in-charge will provide all competitors with further details regarding yardage on the official player information sheet.
