Thursday, May 25	_____	_____

Each captain is responsible for notifying the golf shop, golf professional and golf committees of the dates your club has authorized above.

The Spring Team captain will be notified by March 1, 2023 of the date(s) your club will be hosting. Fifteen matches (30 golfers) will need to be played on an unobstructed course in the morning only, and no match shall begin before 8:30 AM.

Spring Team matches have traditionally been played in twosomes and in shotgun starts. Matches may be played in twosomes or foursomes, as determined for each match by the host club captain and host club staff. It is encouraged that shotgun starts be used whenever possible to accommodate travel for teams/players as well as food and beverage arrangements. If the host club prefers a modified shotgun start, it is requested that no more than two groups be started on any one hole.
