

2024 Club Authorization Form

The following information must be obtained and approved by your club president or a club official. Please make sure that the Governing Body of your club is aware of all our requirements. **This form is to be used as a guide only. All information must be submitted as part of the registration process online through Golf Genius.**

2024 Women's Fall Cup Dates

Please indicate the dates your club can and cannot host matches. Please make sure your club's aeration schedule does not conflict with the matches. Each participating member club must be willing to host.

All clubs must select at least 2 host dates below.

	YES	NO
Thursday, September 5	_____	_____
Thursday, September 12	_____	_____
Thursday, September 19	_____	_____

*Notes - During the registration process, you will be asked if you want to be put in a lottery if there is room for a second team. If you click yes, you must select all three dates and both teams from your club are required to host matches.

Each captain is responsible for notifying the golf shop, golf professional and golf committees of the dates your club has authorized above.

The Fall Cup captain will be notified by March 1, 2024 of the date(s) your club will be hosting. Six matches (24 golfers) will need to be played on an unobstructed course in the morning only, and no match shall begin before 8:00 AM. It is preferred that shotgun starts be used whenever possible and we ask that no more than two groups be started on any one hole. Matches should be completed in less than 4.5 hours.
