Before the payment process, you will be asked if you want to make an optional donation to the Mass Golf Youth Fund. You can choose different donation amounts.

The screenshot shows a registration form with three steps: 1. Registration Type, 2. Golfer information, and 3. Payment. The current step is 3. Payment. The form displays the "MEN'S TEAM MATCHES" logo and a "Registration Fee" section. A banner for the "MASS GOLF YOUTH FUND" is shown, along with logos for "first tee", "MASS GOLF", and "youth on course". Below the banner, there is a text block explaining the donation: "By making a donation to Mass Golf, you are investing in the future of the game for generations to come. Your donation allows Mass Golf to support kids and teens in learning to play golf while also making the game more affordable and accessible for youth across the state. All donations made are 100% tax-deductible." Below this text, there is a section titled "Please select donation amount" with radio button options: "No donation", "\$10.00", "\$25.00", "\$50.00", "\$100.00", and "Other". A green oval highlights the donation options, and a green arrow points to the "\$10.00" option.

To begin the payment process, you will be prompted to enter in your billing details. Click 'Next' once that is done.
