

# Jillian Johnson

Merrimack College

Class of 2028

Jillian Johnson is a dedicated student at Merrimack College who will graduate in 2028. She fulfilled her service to golf at Hatherly Country Club as a pro shop attendant. Through her hard work, she has learned the importance of professionalism, communication, and dedication.

Prior to becoming a Ouimet Scholar, Jillian attended Notre Dame Academy, where she played on the varsity golf and ski teams. During her senior year, she served as captain for both teams. In addition to being a student-athlete, Jillian was a member of several clubs, including the Students for Soldiers Club, baking club, and Our Minds Matter Club, an organization that focuses on mental health and wellness for teenagers.

Jillian is incredibly honored to be joining the Ouimet community. Growing up in a household with a father who is a head golf professional, Jillian understands the importance and impact that golf can play in a person's life. She is extremely grateful for her Ouimet Scholarship and looks forward to potentially working in the golf industry upon graduation. She is excited to continue her freshman year at Merrimack College.
