

USGA BEST TEES

As the trusted leader of the game of golf, the USGA has pioneered a system to help golfers get the most out of their rounds.

The USGA interviewed hundreds of golf professionals, thousands of golfers and analyzed millions of rounds. Here's what we learned:

- More than half of all golfers play a course length that is too long for the experience they want. Sometimes this is by choice but other times there are not tee options available.
- The USGA has addressed this issue by providing golf courses and golfers with tools to select "Best Tees." These include infographics, scorecard guidance and in-depth course consulting.
- Results are positive: rounds increase when shorter course options are available and golfer enjoyment increases when playing from best tees.

- This will get new golfers off to a better start, increase fun for avid golfers, improve pace of play, and keep all golfers in the game longer.

USGA TEE SELECTOR

Score Better & Have More Fun by Using Your 7-Iron Distance to Select Your Best Tee

No-Name Lakes Golf Course

TOTAL 7-IRON DISTANCE (Carry and Roll Yardage)	TEES
90 or less	Blue
