

# MEMBER DAYS

This is a step-by-step tutorial on how to enter the lottery for an individual Member Day. This process will need to be completed for each individual lottery you wish to enter.

1. Visit the lottery entry homepage [HERE](#).
2. Select "Enter Lottery for 2026 Member Days" circled below:

Enter Lottery for 2026  
Member Days

Click the "Enter Lottery for 2026 Member Days" button to begin entering lotteries, then click on each individual event's name to enter its corresponding lottery (e.g. "Indian Pond CC Member Day"). You can view a tutorial on how to enter a lottery by clicking "Lottery Entry Tutorial" above.

**You will need a Golf Genius Player Profile in order to enter lotteries. If you already have a Player Profile, you can sign in on the top right of this screen, or during the lottery entry process. If you do not yet have a Player Profile, [CLICK HERE](#) to create one.**

You may enter a lottery for 1, 2, 3, or 4 spots (excluding the two Doubles Member Days - see below\*). This number **INCLUDES YOURSELF** - for example, a lottery entry for 4 entails yourself and 3 additional Mass Golf Members.

You do not need to enter additional players' information when entering a lottery. However, a reminder that all players in the group have to be Mass Golf Members, meaning they have an active GHIN affiliated with a Mass Golf Member Club.

You can view answers to frequently asked questions about Member Days [HERE](#), and find more information on the lottery system [HERE](#).

If you have any questions, reach out to Kyle Sherman at [ksherman@massgolf.org](mailto:ksherman@massgolf.org) or 774-430-9014.

**\*Specific to the Doubles format - Whitinsville GC (afternoon shotgun only) on June 22, and Orchards GC (October 5 only) - players may enter the lottery for either 1 or 3 additional Mass Golf Members. If entering for a foursome (3 additional players), the registrant will have to designate the two separate teams in the foursome during registration if drawn in the lottery (not during lottery entry).**
